**GITHUB** [github.com/AnyaWynne](https://github.com/AnyaWynne) | **LINKEDIN** [linkedin.com/in/anya-wynne](https://www.linkedin.com/in/anya-wynne)

Aspiring web developer with a background in graphic design and photography. I love the problem solving aspect of coding as well as creative solutions for the visual aspects of web design and development. In my work I strive to create excellent experiences for both users and clients. My strengths include creativity, logical problem solving, time management and ability to easily change and adapt.

## LANGUAGES

- TypeScript
- HTML5/CSS3
- JavaScript

## FRAMEWORK

- Angular
- Bootstrap

## OTHER SKILLS

- Adobe Creative Suite
- Photography

## PROJECT EXPERIENCE

**Portfolio Website** <https://github.com/AnyaWynne/FinalProject>

- Wireframed and coded for a front end web site implementing Angular components with Typescript, HTML, and Bootstrap, and custom CSS.
- Created unique graphic design for the site.

## EDUCATION

**LaunchCode**, CoderGirl Programming Course — 2021

**Webster University**, BFA in Graphic Design — 2003

## WORK EXPERIENCE

**Freelance Graphic Designer and Photographer**, St Louis, Mo, May 20 – Present

- Created professional marketing material for small businesses and individuals, such as photographs, brochures, postcards and signs.
- Communicated and advised the clients in regards to their marketing material while anticipating their needs.

**Graphic Designer, Photographer**, Regency-Superior, LTD, St. Louis, MO, May 2004 – August 2016

- Created unique visual styles for different collectible categories
- Designed marketing material such as catalogs, advertising, mail-in postcards, posters, signs, email blasts and web-advertising
- Photographed valuable collectibles for print and web advertising purposes
- Working in a small graphic design department I oversaw every step of the process from concept to print

**Photographer, Designer**, Wynne Photography, St. Louis, MO, April 2006 – November 2011

- Designed brand identity and marketing material for the business
- Planned photoshoots and photographed weddings, edited and enhanced thousands of photos, designed wedding albums, advised and communicated with clients and other wedding vendors.
